

simpleFLOORS LUXURY VINYL PLANK FLOORING WARRANTY - EAST RIDGE PLANK

THE simpleFLOORS LUXURY VINYL 30 YEAR LIMITED RESIDENTIAL WARRANTY FOR LUXURY VINYL PLANK MEANS THAT FOR 30 YEARS AFTER PURCHASE DATE:

- Will not wear through.
- Will be free of manufacturing defects.
- Will not rip or tear from normal household use.
- Will not permanently indent from normal household use.
- Will not discolor from the bottom-up from the underlayment panels, as well as mold, mildew or alkali.

THE simpleFLOORS LUXURY VINYL 7 YEAR LIMITED LIGHT COMMERCIAL WARRANTY FOR LUXURY VINYL PLANK

What is covered and length of coverage?

For light commercial installations (example: common areas in multi-unit dwellings and low traffic retail shops) the product is warranted to be free from manufacturing defects for 7 years from the date of purchase. If a defect covered by this warranty is reported to SIMPLEFLOORS LUXURY VINYL in writing within 7 years of purchase, simpleFLOORS LUXURY VINYL will supply new material of the same or similar grade sufficient to repair or replace the defective material.

What Will simpleFLOORS LUXURY VINYL Do If Any Of The Above Happens?

(For ALL residential vinyl plank limited product warranties)

If any of the above should occur within the warranty periods specified above for each flooring product, simpleFLOORS LUXURY VINYL will furnish comparable luxury vinyl plank flooring of similar color, pattern, and quality, for either the repair of the defective area or the replacement of the floor, at our option. And, if your floor was professionally installed, simpleFLOORS LUXURY VINYL will also pay reasonable labor costs for the direct repairs or replacement. simpleFLOORS LUXURY VINYL will replace or repair a floor discolored from mold, mildew, or alkali one time. If the replacement or repair fails in the same manner a second time, the flooring conditions may not be acceptable for the installation of vinyl tile or plank.

What Is Not Covered By These Warranties?

- Damage caused by fire, flooding, or intentional abuse.
- Damage caused by vacuum cleaner beater bar, caster wheels, and cutting from sharp objects.
- When vacuuming, we recommend using the wand attachment on your vacuum.
- Because rolling casters can damage the floor, we do not recommend them.
- Loss of gloss/scratching.
- If some dulling occurs over time, depending on the amount of traffic, care, and maintenance the floor receives, restore the shine to your high gloss floor, using floor finish. For low gloss floors use low gloss floor finish.
- Minor color, shade or texture variations between samples or printed color photography and the actual material.
- Floors that are not graded "regular".
- Floors that are installed in other than owner-occupied or tenant-occupied residences (Except products that are noted as warranted light commercial).
- Installation-related errors or damage including improper conditioning of job-site and flooring materials.
- Construction damage after installation.
- Floors discolored from moisture or underlayment panels after having been repaired or replaced by simpleFLOORS LUXURY VINYL one time.
- Floors damaged by excessive moisture from sources such as flooding and water leakage.
- Installation defects and installations not using the recommended adhesives.
- Damage caused by abuse such as moving appliances across the floor without adequate protection. When moving appliances or heavy furniture, lay a plywood panel on your floor and "walk" the item across it. This protects your floor from scuffing and tears.

What Is Excluded From These Warranties?

- None of our installers, retailers, distributors or employees has authority to alter the obligations, limitations, disclaimers or exclusions under any of our warranties.
- We exclude and will not be liable for or pay incidental, consequential or special damages under our warranties. By this we mean any loss, expense, or damage other than to the flooring itself that may result from a defect in the flooring. - To the extent permitted by law and for all non-consumer product, all warranties other than our limited warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, are disclaimed. If any implied warranty arises under state law, any and all implied warranties (including any warranty of merchantability and fitness for a particular purpose) are limited in duration to the duration of this written warranty, to the extent allowed by law.
- Some jurisdictions do not allow exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.
- These warranties give you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

Installation requirements

Proper installation plays a key role in the performance of simpleFLOORS LUXURY VINYL floors. For installation of vinyl plank, these basic guidelines should be followed:

- Store planks for 48 hours in room where they will be installed. Keep room at a minimum of 65°F during that time and during installation. After installation, temperature should not fall below 65°F for the first 48 hours, and not below 55°F after that.
- If room is heated by radiant coils in the subfloor, the TEMPERATURE OF THE FLOOR should not exceed 85°F.
- The subfloor must be level, clean, and free of wax, grease, oil or dust.
- If necessary, patch or fill any cracks in the subfloor with patch, or latex underlayment.
- Use embossing leveler to smooth any texture or embossing on the old floor.
- Install over smooth, well-bonded resilient floors or over dry concrete and wood floors with a plywood overlay.
- This limited product warranty does not cover the installation of the product, even though simpleFLOORS LUXURY VINYL will pay reasonable labor costs for covered repair or replacement if your floor was professionally installed and the floor product fails for reasons other than installation error. Installation errors are the responsibility of the installer. While installations not performed according to our requirements do not void the product warranty, damage or problems with the flooring related to improper installation are not covered.
